NOT ALL DVD'S will play in ALL DVD players Or PC's. However, OUR DVD's will play in most DVD players in use today and those Mfg'd. after 2001. Sorry, but we DO NOT guarantee that our DVD's play in ALL units, including PC's.

LIMITED GUARANTEE

If, within 30 days from "Completion date" customer is Dissatisfied, we will re-check and/or reshoot or duplicate order if we have not followed the original instructions correctly. Sorry, but due to the nature and condition of the film or slides and Video tapes to be transferred and/or duplicated, we do not guarantee to refund any orders.

SPECIAL NOTICE

Orders received with or without customer signature will be accepted as "implied consent" and will be subject to all conditions and terms listed in this form.

CUSTOMER'S COPYRIGHT WARRANTY:

Our service is based upon your WARRANTY that you have the legal right to have such service performed. We do not duplicate tapes or DVD's that are copyrighted or encoded to prevent duplication. All tapes/DVD's submitted which appear to be copyrighted must include a signed release from the Producer or Manufacturer.

BY SENDING video tape, film, slides or other material to us or any subsidiary company, you are agreeing that if the film or other material is lost or damaged we will, unless otherwise agreed to by us in writing, only replace such video tape, film, slides, or other material with an equivalent amount of unused video tape or film of similar size and type, if available. We are not responsible for work not called for 60 days after submission.

NOTE: Although your order will be produced on STATE-OF-THE-ART electronic equipment, some loss of sharpness or color saturation is normal in the transfer or duplication process. In addition, the color control of your TV set may need to be adjusted to attain true color of your video production. Our Video Lab Technicians take special care to achieve the maximum quality from every order.
